

THE NEW
P300_{SX}
BRING ON THE BUSINESS

SAY HELLO TO **P300_{5X}**

For 18 years, GWM has been a trusted name in South Africa, proving itself in one of the world's toughest driving environments. From scorching heat to punishing terrains, GWM bakkies are built for business. Tens of thousands of P300 bakkies have been produced and driven millions of kilometres across South Africa, earning a reputation as a reliable workhorse that thrives under pressure. Designed with innovation, strength and durability in mind, every GWM vehicle is rigorously tested to handle anything real-world business can throw it.

BRING ON THE PAYLOAD

Towing up to 2250kg over the toughest terrains, the GWM P300 SX is built to perform. Available in Single and Double Cab, it's ready to take on any road or any challenge.

BRING ON PERFORMANCE

WITH A 2.0-LITRE TURBO DIESEL
ENGINE DELIVERING 120 KW OF
POWER AND 400 NM OF TORQUE.

BRING ON THE BUSINESS

Paired with a 6-speed manual transmission or an 8-speed automatic transmission, the P300 SX delivers a smooth and powerful driving experience whether you're hauling a light or heavy load.

AND MORE TECH ESSENTIALS

P300 SX combines high-quality finishes with tech essentials like Bluetooth Connectivity and front USB port.

Model dependent features mentioned. Please consult specifications section from page 18 - 21.

BRING ON BOLD HIGHLIGHTS

Model dependent features mentioned. Please consult specifications section from page 18 - 21.

The GWM P300 SX Single and Double Cab blend power with sleek design, making an impact wherever work takes you. A bold facelift and redesigned bumpers frame this powerful workhorse. Sleek Daytime Running Lights and Refreshed Taillights enhance its modern, business-as-usual aesthetic.

11

Model dependent features mentioned. Please consult specifications section from page 18 - 21.

Updated wheel-arch extensions and striking 17" Alloys reinforce its commanding stance, while the muscular polished exterior lets you know it means business.

12

The P300 SX load bin is designed for effortless access and practicality, combining durability to make every loading and unloading task easier.

BRING ON MORE SAFETY FEATURES

Model dependent features mentioned. Please consult specifications section from page 18 - 21.

Approach any job with the added assurance of knowing the P300 SX comes standard with key safety features including Anti-Lock Braking System (ABS), Dual Air Bags, Uphill/Downhill Assist, and Traction Control System (TCS).

Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.
